The WP and CP ranges have, for many years, provided the industry standard solution for many camera mounting situations. Available in standard heights up to 6 metres with stand off brackets from flush to 1000mm, both the wall and corner poles provide an excellent platform for obtaining an elevated viewpoint from existing structures.

### Design Features
- A cost-effective solution for achieving desired camera height.
- Off the shelf heights up to 6 metres.
- Standard models give up to 4 metres clearance above roofs, parapets and walls.
- Rigid structure ensures excellent stability characteristics.
- Various stand off brackets to clear facias, gutters and copings.
- Modular construction for ease of transportation and erection.
- Wall and corner mounted versions available.
- Hot dipped galvanised finish for maximum weather protection and low maintenance requirements.
- Custom and bespoke versions tailored to the customer’s requirements.

### General Specifications
- Standard pan and tilt fixing of 101.6 PCD.
- Stand off brackets 000mm/150mm/300mm/500mm/1000mm.
- Compatible with WEC adaptors, accessories and anti-climbs.
- Equipment loading up to 25kg.
- Variety of standard heights up to 6 metres.
